

EAA Chapter 890 Minutes

Saturday, September 9, 2006

Chapter President Harley McGatha called the September 2006 meeting to order. 20 members were present.

August meeting minutes were accepted as read.

Treasurer's report: \$708.25 checking, \$734.88 memorial fund.

Old Business:

Discussion on the website project. Laura Bundy will do framework for website, the logo designed by B&B Embroidery for use on the chapter jackets will be used, if we can get with B&B for artwork.

List of tools and books kept in hanger, for member use: there is a socket set, and many books and magazines. We need someone to sort through the items, and discard those not needed.

New Business:

September 30th is 5th Saturday Fly In Breakfast. No young eagles will be flown.

2nd Saturday in October meeting will fly Young Eagles.

President McGatha read letter from Savannah Silver thanking EAA 890 members for the week at Space Camp in Huntsville.

Welcome two new members this month. Sid Rigdon and another young man, sorry I misplaced the name.

Brent Cowart: Airport will be closed Sept. 18 thru 22. Anyone wanting to fly should relocate plane to Scottsboro for this time.

Projects:

James Forrester - flying RV8

Darryl Smith - recently received engine for his kit.

Barry Wigley - finished 1st annual on RV9, fuel tank problem solved. Flew RV9 to Utah 2 weeks ago.

Harley McGatha - just returned from a trip to Australia.

John & Joyce Myers - August fly-in had 4 planes and 15 people attending. They are preparing for annual fly-in October 7th. Wayne Goza will do fish fry there.

Scott Bixler - working on Buttercup. He recently had article published in Sport Aviation magazine.

Bob Brown - repaired fuselage on Aerocoupe.

Charles Jones -

Meeting adjourned.
